Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Admiral Turner:

It is clear that in order to deal responsibly with organizational issues affecting the intelligence community, at least one of my staff members and I need the appropriate intelligence clearances. Accordingly, OMB has requested clearances for Eric Hirschhorn and for me. Eric has a Top Secret clearance, which was granted in May 1977 based upon an investigation (for a prior clearance) that took place in November 1975. I believe that I currently am cleared to the Secret level; I held a Top Secret clearance from 1962 until the Summer of 1975. Neither Eric nor I has ever held a special intelligence or cryptologic clearance.

We would appreciate your assistance in expediting the necessary clearances and look forward to working with you over the life of the Reorganization Project.

Sincerely,

  
Peter Szanton
